Catalog Description:

An Authorized OSHA 30 Hour Construction course with a completion card issued by OTI (Outreach Technical Institute) Great Lakes located at the University of Cincinnati. This course is considered a supervisory level course that reviews OSHA standards under CFR 30 Part 1926 as well as general safety and health provisions in several areas of the construction industry. Upon completion, students are more knowledgeable about workplace hazards and their rights in the workplace. The issued card is a permanent lifetime card within Minnesota that is required by construction company supervisors working with state and federal contracts

Prerequisites and/or recommended entry skills/knowledge:

- Course Prerequisite(s): None
Reading Prerequisite: None
Composition Prerequisite: None
Mathematics Prerequisite: None

Career Programs and Transfer Majors Accessing this Course: Masonry, Carpentry

Minnesota Transfer Curriculum Goal(s) partially met by this course if applicable:

(Notes: No more than two goals may be met by any one course. Curriculum Committee review and the Chief Academic Officer's approval are required.)
