Learning outcomes, including any relevant competencies listed in the Minnesota Transfer Curriculum:

Students will be able to assess the attitudes and behaviors that led to academic failure and suspension. Students will develop an understanding of the role played by their locus of control and decision-making methods.

Students will learn ways to overcome procrastination and improve self-discipline.

Students will demonstrate accountability by increased class attendance and improved grades in their classes.

Students will learn to set, develop and implement goals.

Student assessment methods:

Class attendance, class participation, completion of assignments, and improved academic progress during the course of the semester, verified by bi-weekly grade checks.

Use of instructional technology (includes software, interactive video and other instructional technologies):

Outline of the major course content:

- Attitudes
- Self-talk
- Decision-making
- Personal behavior and responsibility
- Developing self-discipline
- Predominant locus of control
- Procrastination: identifying and overcoming
