Learning outcomes, including any relevant competencies listed in the Minnesota Transfer Curriculum:

1. Make students aware of how they were parented and of current barriers to effective parenting.
2. Discuss relationships between parents/caregivers and how they affect parenting.
3. Enable students to describe the differences between permissive, authoritative, and autocratic parenting.
4. Encourage students to practice reflective listening and the use of messages.
5. Teach students the pros and cons of rewards and punishment, natural and logical consequences.
6. Give students practice in dealing with various problems of parenting.

Student assessment methods:

Class attendance/participation.
Reaction paper.

Use of instructional technology (includes software, interactive video and other instructional technologies):

Video tapes: 1-2-3 Magic
Negative Behavior: Positive Discipline

Outline of the major course content:

Course content will include a comparison of the parenting techniques and relationships, a discussion of communication between parent and child, videos and discussion on discipline, and extensive time spent practicing learned skills and discussing individual problem areas.

Additional special information (special fees, directives on hazardous materials, etc.)
