View your Financial Aid Award Letter

You should print this instruction page for reference purposes!!

AWARDS - By selecting this link, you can view your financial aid awards for the current award letter. **This is not your award letter.** However, it will be the most up-to-date information we have. If it is prior to the end of the drop-add period for a specific term, the amounts listed **will be based on full time attendance.** Any Minnesota Grant eligibility will be based on 15 or more credits. If loans are listed as "estimated", you have not completed an online loan application. If the loans are listed as "certified", Mesabi has processed the loan(s) for the term(s) listed.

For a break-down of your eligibility based on full time, three-quarter time, half time and less than half time attendance, click on "Award Letter".

AWARD LETTER - By selecting this link, you can view the last actual award letter that was generated for you. It may be out-of-date as any changes to your awards since an award letter was generated will not be displayed. The Award Letter will, however, break down your grant and loan eligibility based on various enrollment levels. For real-time information, you will want to select "Awards".
