## GRAPHIC DESIGNER

---

G2 Gemini Jerseys is looking to add a new member to our design team. We produce jerseys and other apparel for professional anglers, competitive shooters, racing professionals, etc. Our designers need to have good work ethic, attention to detail & communication skills. Experience with Adobe Illustrator and Photoshop is ideal but not required - job-specific training will be provided. If you are interested in a fun, fast-paced work environment where hard work is appreciated and rewarded - then submit your resume to our Lead Designer via email at [jason@g2gemini.com](mailto:jason@g2gemini.com)
