

# WANTED: CHANGE FOR CHANGE

Phi Theta Kappa, in cooperation with Mesabi Range College – Virginia Student Senate/Student Life, is pleased to promote our first ever “Penny Wars” competition on the MRC-V campus.

There will be three teams for this spirited event. They will be as follows:

- 1.** The faculty
- 2.** The staff
- 3.** The students

This event will begin on Wednesday, November 1<sup>st</sup> and run through December 15<sup>th</sup>. We will post weekly stats on Wednesday afternoons in the Commons to promote some friendly rivalry and the end results will be posted when we return from winter break on January 8<sup>th</sup>.

The money raised for the “Penny Wars” will go to the MRC-V Food Shelf located in the Student Senate office in the Learning Center.

The winning team will get bragging rights through the next “Penny Wars” challenge, as well as a small traveling trophy.

Objective: To raise the most positive points. To do this, put all your pennies in your team’s jug and all other currency into the other teams’ jug.

Points: Pennies count as 1 positive point. Nickels are worth negative 5 points, dimes negative 10 points, quarters negative 25 points, etc. Paper currency are all worth negative points with \$1.00 being negative 100 points, \$5.00 worth negative 500 points, etc. If someone puts in any higher denominations of paper money, the idea follows as previously stated.

The penny jars will be located in the Student Services Office with the team names posted on them.

Have fun with this knowing that you are helping our students who sometimes have nothing to eat.

Thank you,

N(Boe) Brazell

Phi Theta Kappa President
