Juried Art Exhibit

Purpose
Mesabi Range Community & Technical College Percent for Art Juried Art Exhibit is a call for artists to submit their works of art in the following media: paintings and prints, photography, sculpture (any medium accepted for sculptures—i.e., steel, stone, clays, wood, metals, or combinations), etched/stained glass, and water features. The categories are communications (graphic arts), mining (welding, industrial technology, process automation, etc.), health (paramedic, nursing), construction (carpentry, masonry) and regional focus. Images must be correctly oriented before sending (vertical or horizontal) and titled with the artist’s last name, first initial, and the title of the piece. All artwork submitted, whether by mail or e-mail, should be clearly identified with the title of the work, artist’s name, medium, dimensions, date created, and suggested price of the item. Images of accepted work become the property of Mesabi Range College. Jurors will select artwork based on images submitted. However, items will not be officially selected until artwork is received and viewed by the jurors due to the fact that selections will be based on images rather than the actual artwork.
