Scholarships for Early Childhood!

Minnesota Workforce Development Scholarships!

Watch for application information at www.mesabirange.edu

Current (retrieved from https://www.minnstate.edu/stories/wds/index.html)
Hundreds of college-bound students across Minnesota now have the opportunity to be awarded workforce development scholarships worth $2,500 or more that will help them launch a career in a high-demand occupation in Minnesota. These scholarships were made possible by a $7 million appropriation from the Legislature after a successful pilot program stemming from the 2017 legislative session that initially awarded $1 million in scholarships in the 2018-2019 academic year. The scholarships are for students pursuing careers within advanced manufacturing, agriculture, health care services, information technology, early childhood education, and transportation at any of the 30 state colleges of Minnesota State.
