IMMUNIZATION RECORD FOR STUDENTS
ATTENDING POST-SECONDARY SCHOOLS

Name: __________________________  Student ID: __________________________

(last) (first) (M.I.) (if known)

Social Security Number: __________  Birthdate: __________

Minnesota Law (M.S. 135A14) requires that all students born after 1956 and enrolled in a public or private post-secondary school in Minnesota be immunized against diphtheria, tetanus, measles, mumps, and rubella, allowing for certain specified exemptions (see below). This form is designed to provide the school with the information required by law and will be available for review by the Minnesota Department of Health and the local community health board.

No proof of immunization is needed from:

- Students who have graduated from a Minnesota high school in 1997 or later
- Students born before 1956
- Transfer students from a different post-secondary school, if transcripts or other information from the previous school indicate that the student has met immunization requirements

Enter the month, day (if applicable), and year of the most recent “booster” for diphtheria and tetanus (must be within the last 10 years) and for all doses of vaccine for measles, mumps, and rubella that were given after 12 months of age.
