Isolation Go Bag

Students who report symptoms consistent with the COVID-19 virus or test positive for the virus will be relocated in order to isolate them from their roommates and reduce the potential spread of the virus.

In the event that you are removed to isolation, you should have a “Go Bag” prepared with all of your necessary items. During the time a resident is isolating or under quarantine, the DRL will be available to run errands for food, soap, etc. It is for that reason, we recommend residents purchase a pre-paid credit card to cover those costs.

GO BAG RECOMMENDATIONS/CHECKLIST:

☐ Any prescription medications

☐ Self-care, over-the-counter medications (fever/pain reducers, cough drops, etc.)

☐ A prepaid credit/debit card for purchases on your behalf when in isolation or under quarantine

☐ Personal supplied: toothbrush, toothpaste, deodorant, shampoo body wash, toilet paper, feminine products, etc.

☐ Face coverings, towels, wash cloths, etc.

☐ Bedding such as blankets, bed sheets, and pillows

☐ Enough clothes for at least a 10 day. You will have access to a unit washer and dryer, but if you are sick, you may not feeling like doing laundry frequently.

☐ Any books, notebooks, folders, or flash drives necessary to continue and complete your school work

☐ Laptops to log-in to online classes. You will have access to Wi-Fi while in isolation and under quarantine

☐ PHONE CHARGER
