Mesabi Range College has established a Non-Reciprocity Tuition (Scholarship) Award (NRTA) to extend accessibility to students from across the country for the 2020-2021 academic year. The NRTA scholarship will help reduce the difference between out-of-state tuition and in-state tuition for this academic year, making tuition and fees more affordable for out-of-state students.

Students must meet eligibility requirements, apply for admission to the college, and complete a scholarship application in order to be considered as a recipient.

Eligibility Criteria:

1. Student must be a non-reciprocity, out-of-state student.
2. Student must be registered for the current semester with a minimum of six (6) credits.
3. Student must have a completed their financial aid for the current year – from completed FAFSA through to their financial aid offer.

Scholarships will be awarded first-come-first-serve, based upon fulfilment of eligibility requirements and completed NRTA application. Applications will be reviewed by the Interim Dean of Student Success and the Student Services Support Coordinator, and students will be notified as soon as their application is reviewed.

Awards will be $250. There is no application deadline.
