Spring 2020 Textbook Buyback Information

I hope you are finding ways to navigate this pandemic and making the best of the situation. I wanted to reach out with some information regarding textbook buy back for the current spring semester we will soon be wrapping up.

Due to the COVID-19 pandemic, Mesabi Range College will **not be allowed to hold and on-campus textbook buyback**. We are not allowed to host or promote any kind of event that encourages gathering of multiple persons on our campus. In replacement, I have an online option for you to look into.

**Here is the link for the online book buyback:**

**The way this works:**
1) Enter in the ISBN of the books you have to try and sell into the webpage.
2) The website will give you price offerings they will pay you for the books you have to sell.
3) If you choose to accept their offer, they will provide you a pre-paid shipping label that you will need to print off.
4) Send the books to them using the pre-paid label, and receive a check in the mail for the price you are owed, or a PayPal deposit.

Mesabi Range College will (if allowed) be hosting a buyback during finals for the Fall 2020 semester. If you want to hold on to your books and sell them for cash in person, please check back with us in the beginning of December and we can try and get them sold then.

If you find these two options is not suitable for you, there are many websites out there that can help you sell your books. I am providing a few below:
https://sellercentral.amazon.com/
https://bookscouter.com/
https://www.barnesandnoble.com/textbook/textbook-buyback.jsp

(Please note: Mesabi Range College is **not** affiliated with any of these sites and cannot be of any assistance to you if you choose to try them. We simply want to help point you in the direction of various options.)

**PSEO STUDENTS!!!- Keep your eye out for the email with instructions for you book returns. Please remember your books are required to be returned once the semester ends. We rely on those books for future students and do need them back. You can find a link with instructions on the bookstore website.**

Please contact me if there is any questions. Thank you!
